## Donation and Appointment Agreement

We at JoMo Counseling welcome you as a client.

Please read the following, fill in the dollar amount, and sign where designated:

**The suggested donation for a 50-minute session is \$125.00.** Any scheduled appointment will be billed at that amount even if the session is shorter. Any time over 50 minutes has a prorated donation based on that scale. For example, for a 60-minute session the suggested donation is \$150.00: for a 70-minute session, \$175.00.

Clients sometimes need to talk to a therapist via telephone. No donation is suggested for telephone calls up to 5 minutes in length. Longer calls receive a suggested donation based on the rate for counseling.

Sessions or telephone call that occur after regular business hours or are emergency situations that require interruption of scheduled appointments will have a suggested donation 1.5 times the regular donation described in #1.

**The full payment is received at the end of each session unless prior arrangements have been made with the director.**

If one cannot make the suggested donation, you must inform the secretary/therapist before starting therapy. **Some type of donation is required towards each visit, no exception.** You should share the amount of the donation you can make. If JoMo has funds available to cover the difference, counseling may begin. If not, their names will be placed on a waiting list. As funds become available, they will be contacted and counseling will begin or resume.

**Missed/Canceled Appointments:** Each appointment made is a mutual commitment by both the client and the therapist. If for any reason the client cannot make the session, he/she must text Mark's cell at least 24 hours in advance to cancel. If not, the full donation for the 50-minute session will be suggested. If the appointment is on Monday, a 48-hour notice by text is requested.

I/We have read and understand the above. If I/We had any question, I/We have asked for and received a satisfactory explanation. **I/We committed to donate \$\_\_\_\_\_ per 50-minute session and additional amount based on the figured for any time over 50 minutes.** (Cannot leave blank and must be greater than zero.)
